6.	Closing balance	1943-44	90,617
		1944-45	1,00,249.

(2) There is an increase in receipts both under Service head and debt head, and a corresponding increase in disbursements under the former head. The reasons for the increase are furnished in the D.C's report dated the 29th June 1944, which is for perusal.

(3) Increase of expenditure proposed is marked under the heads noted

(4) A provision of Rs. 45/- p. m. has been made for the salary of the Manager of the Officer in charge in anticipation of sanction as against Rs. 40/- p. m. which is his present pay. Proposals in this behalf have not been received. To enhance the pay of any officer before obtaining formal sanction of Govt. is not a good practice as last year the proposal of the M. C. to grant enhanced pay to the Maramath Maistry of the Jakagir was vetoed and consequently the provision had to be revised.

(8) The existing scales may be provided for if the salaries are enhanced the extra cost may be debited to Jakagir. The claims are same.

(5) In the case of the Forest Guard also, provision has been made for an enhanced pay of Rs. 10/- p. m. as against Rs. 8/- p. m. which was allowed during the year. Proposals regarding the Continuance of the Forest Establishment received from the M. C. separately have been referred un-officially to the Chief Conservator for opinion.

(6) In the above two cases provision may be made as in last years budget estimates, and if the enhancement of pay is sanctioned the extra cost will be debited to the closing balance of the budget estimate.

(9) Yes.

(7) Regarding the other items of enhanced expenditure, their retention is for orders.

SIR,

Budget estimates of Sri Sringeri Mutt and Jahagir, for 1944-45 - sanction sought for -

(1) I have the honor to forward herewith, the budget estimates of income and expenditure of Sri Sringeri Mutt and Jahagir, for the year 1944-45, proposed by the Officer in-Charge of the Mutt, and received with letter No.S2-C.3966/43-44 dated 29th June 1944 from the Deputy Commissioner, Kadur District, copy of which is enclosed for reference. The budget proposed, provides for an anticipated income of Rs 1,96,340 and expenditure of Rs 1,72,992 under "Service (revenue)" heads, resulting in a surplus of Rs 23,348. Under "Debt" heads, provision for an anticipated income of Rs 1,65,000/and expenditure of Rs 1,59,500, resulting in a surplus of Rs 5,500 has been made in the budget. The closing balance of the funds of the mutt for the year 1944-45, is estimated at Rs 1,00,249. The Officer in-Charge of the Mutt has furnished reasons for large variations in the budget in respect of the "Service(revenue)" heads in the explanatory memorandum attached to the budget.

(2) Under 'Al,Agent's Office', in the budget estimate of expenditure, provision has been made for giving enhanced pay at Rs 45 p.m., from 1st July 1944 (instead of at Rs 40 p.m., as in the previous year) to the Manager of the Office of the Officer in-Charge of the Mutt. The Deputy Commissioner has recommended that the proposal to enhance the pay of the Manager from Rs 40 to Rs 45 p.m., from 1st July 1944, may be sanctioned, as the official has put in a service of one year and eight months in the Jahagir Office, without any increment or promotion, and his work is satisfactory. As regards this proposal, the Deputy Commissioner has been requested to submit a report separately, for orders. Pending receipt of the separate report and orders of Government, thereon, to be obtained, the provision made in the budget has,

therefore, been retained.

(3) The provision made under "AI 6 Forest Establishment" includes cost of continuance of the Special Forest Establishment for 1944-45, as recommended in this office letter No.I 2-2700/45-44 dated 10th June 1944. Pending sanction of Government to the recommendation made, the provision in the budget is, therefore, retained.

(4) As regards Dearness Allowance to the Kutt employees and also the Government officials lent to the Kutt Service, provision for payment of the allowance at the sanctioned rates as in force, up to end of June 1944, has been made in the budget. The Officer in-Charge has submitted a report to the Deputy Commissioner, proposing grant of Dearness Allowance at enhanced rates, and the Deputy Commissioner's report on the proposal is awaited. A report on this subject will be submitted to Government, separately, on receipt of the Deputy Commissioner's recommendation. The provision made in the budget for the present, is retained.

(5) In the circumstances stated above, I request that sanction of Government may kindly be obtained to the budget estimates of income and expenditure of the Kutt and the Jahagir, for 1944-45, as proposed by the Officer in-Charge of the Kutt, and agreed to by the Deputy Commissioner.

I have the honor to be,
Sir,
Your most obedient servant,

V D Sahadeva

Kuzrai Commissioner.

Kadur District to the Muzrai Commissioner in Mysore.

Budget Estimate of Sri Sringeri Mutt & Its Properties for the Year 1944-45.

---

(1) I have the honor to enclose herewith a copy of Budget Estimate of Receipt and expenditure of Sri Sringeri Mutt for the year 1944-45 as proposed by the Officer-in-charge, Sri Sringeri Mutt and Its Properties for obtaining sanction of Government and to state as follows:-

(2) The proposed budget estimates provides for anticipated receipts for Rs. 1,96,340 under service head and Rs. 1,25,000 under debt head as against Rs. 1,75,126 and 1,50,000 respectively in the sanctioned budget Estimate for the year 1943-44, and an annual expenditure of Rs. 1,72,392 under service head and Rs. 1,59,500 under debt head as against Rs. 1,53,687 and Rs. 3,19,500 respectively in the sanctioned budget, with a closing balance of Rs. 1,06,248.

(3) The Explanatory memorandum for variations furnished by the Officer-in-charge, Sri Sringeri Mutt, explains the reasons for the increase in the anticipated receipts. The main reasons are due to the high bids received in the excise sales for 1944-45, and higher prices prevailing for the forest and dairy

(4) Under AI 6 Forest, the anticipated income for the year 1943-44 is not realised and it is explained that it is due to the scarcity of labour and abnormal rates demanded for labour and cart hires to collect the sandal wood felled in Thani forests and cart to the Koti. The Officer-in-charge, Sringeri, has been requested to see that the Sandalwood felled is brought to the Koti early lest the Sandalwood may be smuggled or stolen. The anticipated income for 1944-45 is Rs. 9,000 under this head.

(5) On the whole, there is an increase in income by Rs. 21, 14 when compared with the sanctioned Budget Estimate for the year 1943-44.

(6) It is seen from the proposed budget estimate for 1944-45 a sum of Rs. 1,72,392 is provided as an expenditure under service heads as against Rs. 1,53,687 in the sanctioned budget for 43-44. The main reasons for the increase are noted below.-

(7) AI Agent's Office.- The pay of the Officer-in-charge, Sringeri Mutt has been raised from Rs. 250 to Rs. 290 p.m. by sanctioning an increment to Mr. V. S. Sambamurthi Somiah, B.A., Officer-in-charge, Sri Sringeri Mutt.

(8) The Manager of the Office of the Officer-in-charge, Mr. T.V. Krishna Murthy is getting a pay of Rs. 40 p.m. since September 1942 and his predecessor in office was getting a pay of Rs. 45 p.m. As he has put in a service of one year and eight months without any increment or promotion, his work being satisfactory, provision for Rs. 45 p.m. has been provided. The pay of the official may be ordered to be raised to Rs. 45 p.m. with effect from 1st July 1944 and the provision made may also be sanctioned.

(9) Under AI 13 Annual Repairs, provision of Rs. 10,000 is made instead of Rs. 8,000 provided in the sanctioned Budget in view of the heavy expenditure to be incurred for some of the works, viz., repairs to Sri Vidyashankara Swamy Temple and annual repairs to the buildings of the Mutt which are in need of expensive repairs. The enhanced provision is very necessary and may be sanctioned.

(10) Under AI Motors additional provision has been made for purchase of spare parts etc. This is also necessary and may be sanctioned.

(11) Under AII Management charges of Estates outside the State additional provision of Rs. 1,500 is provided under land improvement in view of the fact that many urgent tank repairs works have to be effected next year. This may also be sanctioned.

(12) Under B Muzrai there is an increased provision under all sub heads which is explained to be due to the increased prices of food stuffs and other materials. As the prices are ever increasing and the scales of Ayakattu Hetchukattu are to be paid in kind the enhanced provision proposed has to be sanctioned.

(13) Under AI 6 Forest Establishment, the pay of the Departmental guard

erly provided at 8 p.m. It has been recommended
sed to 10 p.m. as no one is willing to come for servi e
llowance at 9 p.m. is lso provided in addition to his enhance
y lso be sanctioned.

(14) The budget estimates with necessary statements are herewith enclosed
or favour of early sanction.

Explanatory memorandum for variations in the budget of the Sri Aurobindo Ashram, for the year 1943-44.

Receipts:- A. Sringeri Jahagir.

The variations under this income under the various heads in the revised estimate for 1943-44 as compared with the provision for 1944-45 under the respective heads call for the following explanation.

The variations under these items, namely, Court, Jail, Court and Jail Service.

A. Court:- The increase under the revised estimate for 1943-44 is due to increased consumption of liquor and consequent increase in duty realised. The increase in the estimate for 1944-45 is due to the increase in the rates levied in the excise sales during the current year.

B. Forest.- There has been a slight fall in the revenue under this head due to the fact that the royalty on timber and firewood was not collected for labour and cart hires. The estimate for 1944-45 has been prepared on the basis of the actuals collected during the current year. As regards the former, it is expected that the collections will be better in the next year on the basis of the actuals. There are no other provisions in the revised estimates.

Jail Service:- The increase under this head in 1943-44 is due to increased public receipts.

Civil Justice and Village Panchayats.- The increase under this head in the estimate for 1943-44 is due to an increase in income realised in the several Courts, all of which are under the Judicial Commissioner, Sri Aurobindo Ashram. The estimate for 1944-45 has been prepared, provision for the increase which is the direction of the actuals realised in the several Courts.
